The Mayfair Townhouse
Live Event!

micebook. LIVE! is back...

Since the start of the covid-19 pandemic we have looked to keep the MICE community engaged with our micebook 'talks' initiative.

We've brought buyers and suppliers together to talk about a range of issues as the situation developed and we continue to do so.

But now we are finally able to get back to what we all do best... live events!

Our first event of 2021 will be micebook Live, as you know and love it, albeit covid-secure.

A mixture of panel debates, 1-2-1 meetings, micebook trailers and of course our famous networking evening 'Just mingle'.

This will be the first event held at the soon-to-open 5* Mayfair Townhouse and promises to be a day and night to remember.

A little reminder...

micebook LIVE! is a series of events throughout the year granting you access to senior #eventprofs in an educational, immersive and fun atmosphere.

We place great value on meeting face-to-face through engaging activities and high-level networking opportunities.

Every micebook event is a mix of:

- networking
- thought leadership
- industry insight

At micebook we always bring you the latest openings and we've done it again with our next showcase.

The 5* Mayfair Townhouse, opened last autumn, located in Piccadilly (and just a stones throw away from Green Park) will debut 172 rooms, Penthouse and garden suites and the sensational Dandy bar.

We promise you another 'must be there' showcase attended by A-list industry members.
